

The screenshot shows the Joomla administrator interface for editing an article. The title of the article is "milk-coffee". The editor toolbar has tabs for "Content", "Publishing", "Images and Links", "Options", and "Permissions". The "Content" tab is active. The main content area contains the text "Introttext milk coffee". On the right side, there are several configuration fields: "Category" (set to "- coffee"), "Tags" (a dropdown menu), "Status" (set to "Published"), "Featured" (set to "No"), "Access" (set to "Öffentlich"), "Language" (set to "All"), "Alias" (set to "milk-coffee"), and "Version Note" (an empty text area). There are also buttons for "Save", "Save & Close", "Save & New", "Close", and "Versions".
