MORELLO CHERRY JUICE
BEST-SELLER

4,40 €  Add to Cart

33 CL 13.33 € PER LITER

Our aim was to present a fruit, usually very acidic, in a pure Juice and make it pleasant to drink.

We had to organise a harvest past the optimal maturity for pickling the fruit on the tree.

The fruit then dehydrated, it lost some acidity and its aromatic concentration increased.

Ingredients: pure morello cherry juice
origin: Charleval in Provence, in France

Type of fruit: red
texture: fluid, pulpy
tasting tips: brunch
sensations: bright, freshness
usage tips: food aid, cocktail

The origins are given as an indication. They can be modified according to the qualitative buying opportunities.
